

LAHORE TRANSPORT COMPANY
(Government of the Punjab)

EXPRESSION OF INTEREST

IMPLEMENTATION OF E-TICKETING SYSTEM FOR PUBLIC TRANSPORT IN LAHORE ON BOT BASIS

Lahore Transport Company (LTC) has been established under the provisions of Provincial Motor Vehicles Ordinance 1965 as an Urban Transport Company. LTC has been registered under section 42 of Companies Ordinance 1984. LTC is primarily a regulatory body which has been tasked to ensure a smooth running transport system in Lahore which will provide the commuters a safe, efficient and affordable transport service.

Lahore is the capital of Punjab and Second biggest city of the Islamic Republic of Pakistan. Approximately 1.5 Million people travel daily on urban buses including students, senior citizen, professionals and women. This project was initiated by LTC to facilitate its commuters as well as transporters. For the purposes of Feasibility the initial working can be done on the basis of 200 buses and 100,000 passengers per day. The project is to be carried out through Public-Private Partnership (PPP) arrangement on Build-Operate-Transfer (BOT) basis. Tenure of the Project will be 5-6 Years.

To Complete this project LTC requires the services of (Firms/ Joint Ventures), having credible experience in large scale Technology related projects. Knowledge of Electronic Transport System will be an added advantage.
