

"EXPRESSION OF INTEREST"

Lahore Transport Company (LTC) intends to install solar illumination system on its existing bus shelters for which it is seeking expression of interest from reputable firms/ companies.

Selected firms/ companies will be required to install one prototype on a cost sharing basis where 50% of the cost of prototype will be borne by LTC and will be property of LTC. The requirement of the system is as follows:

- Charging time 12 hrs.
- Discharge time 36 hrs.
- Illumination should be through LEDs.
- LEDs life should be 100,000 hours life.

The interested firms/ companies are required to submit their expression of interest within 15 days at the following address from the date of this advertisement along with the following:

- Cost summary of the system
- Experience in the industry alongwith client list and value of business in terms of annual turnover.
- Technical capabilities in terms of resources: human expertise and technical facilities.

Detailed Request for Proposal will be issued to firms/ companies pre-qualified after due evaluation of the respective systems installed by them on shelters. Interested parties could contact LTC office from June 21 to June 23, 2010 during office hours for clarifications/ queries.
